### **2. Characteristic spirit and general objectives of the school**

St Patrick's NS is a Catholic co-educational primary school with a Catholic ethos under the patronage of the Bishop of Ardagh and Clonmacnoise

"Catholic Ethos" in the context of a Catholic primary school means the ethos and characteristic spirit of the Roman Catholic Church, which aims at promoting:

At St. Patrick's National School, we believe all children are entitled to develop their fullest potential - academically, socially, emotionally, physically, morally, spiritually and aesthetically, enabling each child to grow in confidence to participate in the wider community. #### **4. St Patrick's NS is not a special school or a mainstream school with a special class attached.**

The school uses the Continuum of Support framework to assist us in identifying and responding to students' needs. This framework recognises that special educational needs occur along a continuum, ranging from mild to severe, and from transient to long term, and that students require different levels of support depending on their identified educational needs. Using this framework ensures interventions are incremental, moving from class-based interventions to more intensive and individualised support, and that they are informed by careful monitoring of progress.

The school also has access to the National Educational Psychological Service and may seek advice from this organisation.

#### **5. Admission of Students**

This school shall admit each student seeking admission except where –
